

Bonjour à toutes et à tous,

Notre camarade Nadia Boukhateb (service jeunesse de la fédération de la Loire) monte actuellement un projet **PEJA 4.5 "soutien aux actions d'informations à l'intention des jeunes et des personnes actives dans le domaine de la jeunesse et des organisations de jeunesse"**.

Le projet : "mettre en place **des groupes de jeunes qui participeraient à la création d'une campagne d'information sur un sujet** (droit de la femme, discrimination, santé...) choisit par eux. Les animateurs des jeunes participeraient à des ateliers formations aux médias pour pouvoir travailler cette thématique avec leur jeunes. Nous souhaiterions **organiser des échanges d'animateurs**. De plus, à la fin du projet nous organiserons un jury qui élira la meilleur campagne d'informations. Le prix gagné par ce groupe sera de rencontrer des groupes de jeunes afin d'échanger avec eux sur le sujet de leur campagne d'information. Nous sommes donc à la recherche de partenaires qui souhaiteraient entreprendre la même démarche dans son pays, **afin de faire des rencontres d'animateurs et de jeunes**. Les jeunes que nous ciblons : **jeunes avec moins d'opportunités**. Si vous souhaitez avoir plus d'informations sur notre projet je reste à votre disposition. Nous devons déposer notre projet **pour le 10 Septembre**".

Elle recherche **4 à 5 partenaires européens** pouvant y participer.

Aussi je vous sollicite afin de diffuser sa recherche de partenaires auprès de vos contacts (voir pièce jointe).

## THE EXCHANGE PROJECT

Please describe the young people who will comprise the group and the exchange activity

The project is to find about 4-5 groups of young work in a project related to media. They will choose a subject (discrimination, health, racism, ...) and choose a media to make people more concern by that subject. They could make a film, a short spot...

During the project we will make some formation about media for the adults in charge of the group and make exchange with our future partners.

The young group with the "best" *raising public awareness/consciousness* raising will make meeting with the groups in other countries partners.

SO we wanted a partner who could make the same project in their country to show the differences and the similarity of the project to exchange experience between the adults and the young.
